WEB DEVELOPMENT PROJECTS

Blockchain Developer Portfolio - September 2020

Built a Dapp (Decentralized applications) using Ethereum Smart Contracts and Solidity. It's a blockchain market place that allows users to list and/or buy items.

Javascript Developer Portfolio - September 2020

Created a typing speed test that allows users to type a propided text, check how fast they can do it without any mistake, and reset everything by clicking on a simple button.

PHP Laravel Developer Bootcamp Team Project - August 2020

Developed the blog section of a vegan website so that nutrition consultants can inform, educate, and interact with their users around topics like health, nutrition & vegan diet.

PUBLIC ACCOUNTING BACKGROUND

Senior Accountant Vistra Luxembourg - 2016/2018

Recognized as the go-to-professional for any management software issues. Exceptional ability to convey technical issues to stakeholders. Delivered accounting & tax projects to private equity clients. Coached staff members.

Finance Manager Concilium Luxembourg - 2015/2016

Juggled several business projects at once while paying attention to detail and company policies. Delivered financial & tax reports to private equity clients in a timely manner. Drafted the manual of admin & accounting procedures

Financial Accountant Swiss Re Luxembourg - 2008/2010

Developed my logical skills through gathering, analyzing and interpreting financial data on a regular basis. Used maths daily to quantify, calculate and identify variances. Delivered accounting & tax projects to eight investment companies.

External Auditor KPMG Audit Paris - 2007/2008

Enhanced my ability to deliver projects with service excellence and within a very short turnaround time. Developed multicultural team work and leadership skills.

ENTREPRENEURIAL EXPERIENCE

Director of Enrollment - Sales Closer Freelance - 2018/2019

Negotiated and closed high ticket sales over the phone on behalf of world-class digital influencers, like London Real. Co-led Dan Lok's online community of +4500 sales students.

Founder - Business Owner Freelance - 2010/2017

Wrote a book, coached female high achievers, planned charity events, started a premium concierge services business, was featured in local newspapers.
